Dear Harry:

[redacted] currently a Wilson Fellow and a nonproliferation specialist with the Department of Energy from 1978-1981, will present a paper which reviews the historical record of U.S. nonproliferation policy and evaluates current policy choices.

Commentaries will be delivered by Richard Speier, who is responsible for nonproliferation affairs in the Office of the Under Secretary of Defense for Policy, and by another specialist with experience in the government. The [redacted] paper is enclosed.

The session will begin with refreshments in the Wilson Center rotunda at 6:00 p.m. with the proceedings to begin promptly at 6:30 p.m. and run until 10:00 p.m. with a buffet supper to be served at about 7:30 p.m.
